

October 8, 2010

To Whom It May Concern:

This letter is to certify that products manufactured by Regency Wire are manufactured in the United States at our Sikeston, Missouri facility located at 830 South West St. Sikeston, MO 63801.

Our primary product categories manufactured in U.S. are listed below for your reference:

- UF/Underground Low Energy Circuit (sizes 18 – 4/0)
- PE Sprinkler System Cable (sizes 14 – 10)
- Multi-Conductor Irrigation Control Cable (sizes 18/2 – 18/25)
- Low Voltage Lighting Cable (sizes 12/2 – 8-2)
- Tray Cable
- Communication Cable (Hunter, Rain Bird, Toro, Tucor, Weathermatic)
- THHN/THWN-2
- Tracer (30 mil – 45 mil)
- Submersible Pump Cable (all configurations)
- Bare Copper Wire (all configurations)

In addition, all of our wire and cable products are manufactured in accordance with Underwriters Laboratories specifications regarding wire and cable by product and type and conform to RoHS standards regarding omission of hazardous materials.

As a manufacturer, Regency Wire & Cable sells only to qualified distributors and does not sell retail. As such, no list prices are furnished to distributors. Product pricing is at the discretion of each distributor.

For additional product or technical information please visit us online at www.regencywire.com or call 800/876-3020.

Sincerely

A handwritten signature in black ink that reads 'Blake Thomas'.
